Dear Chamber of Commerce Member,

As a fellow chamber member and community business, we want to offer you an opportunity to market your business while helping us help a children's charity!

Our child care center and preschool, consisting of 177 families, annually holds a week-long event to raise money for Families of Spinal Muscular Atrophy (FSMA). The Parking Lot Sale is one of the ways we raise funds and awareness of the neuromuscular disease, SMA. Please see the information below and the attached information and let us know if you want to help us and help yourself at the same time!
